

BACKUP 2022/23

Helping young people to get back up and stay back up

We started the year with

100

residents.

We received **291** referrals.

229 of these were accommodated

36% Were under 18

25% Were care leavers

We conducted **23,550** home visits / 1:1 contacts.

73%

Successfully moved on to their own accommodation and /or university.

Our amazing colleagues intervened in **78** suicide / self harm attempts

And we delivered **541** food parcels

The top 4 areas of support were:

- Finances
- Employment, Training & Education
- Mental Health
- Risk / Personal Safety
